To

Peter George D' Souza, Esq., B.A., B.L.,
Secretary to Government,
Departments of Education & Agriculture,
B A N G A L O R E.

Through

The Inspector General of Education in Mysore,
B A N G A L O R E.

Sir,

I have the honour to submit that I have been asked to resume again touring work. But when I last submitted to the Inspector General of Education the fact that the nature of my work was such that the rates of mileage, daily and travelling allowances allowed to me did not cover all my expenses when a motor-vehicle, even a motor-cycle, was maintained, and that if I kept a cheaper kind of conveyance, I could not turn out the same amount of work, and asked that I might be paid either my actual expenses, on the score of 'special' work, or 'higher rates' on the scpre of my official status, I was informed that the former could not be given as I was drawing a local allowance which was meant to cover motor-conveyance charges also, and that the latter, Government could not see their way to sanction, for other reasons.

Now, I beg leave to urge only one point in this connection. Even if I, in view of my local allowance, I may not be given the 'higher' rates of mileage and daily batta, I may be granted at least 'first' class fares while travelling by railway. A clerk on Rs.30 and myself who is supposed to represent in a way the Head of a Department, are obliged to travel together in the same class. In no other department of Government is the Assistant to the Head of a Department so treated. And unless I am

am given some respectable official status, I cannot command the necessary influence with the local men, official and non-official, upon whose co-operation depends much of my work. Nor can my work be satisfactpry. To enable me therefore, to maintain at least the prestige, of my office, this one concession, I beg, may be shown to me.

I have the honour to be,

Sir,

Your most obedient servant,

N. Subbamanya Rao

Special Assistant to the

Inspector General of Education.

No 15308/6555

Forwarded with compliments to the Secretary to the Govt of Mysore Education and Agriculture. I have already given my opinion in this office No 1033/443 dt 15/12/15 that higher allowances should be given to both the Assistants in this office as their tours extend to the whole State.
